

We are proposing a sponsored advertisement deal in association with Exit 7 produced by Roll Your Own Productions and airing on Made Television.

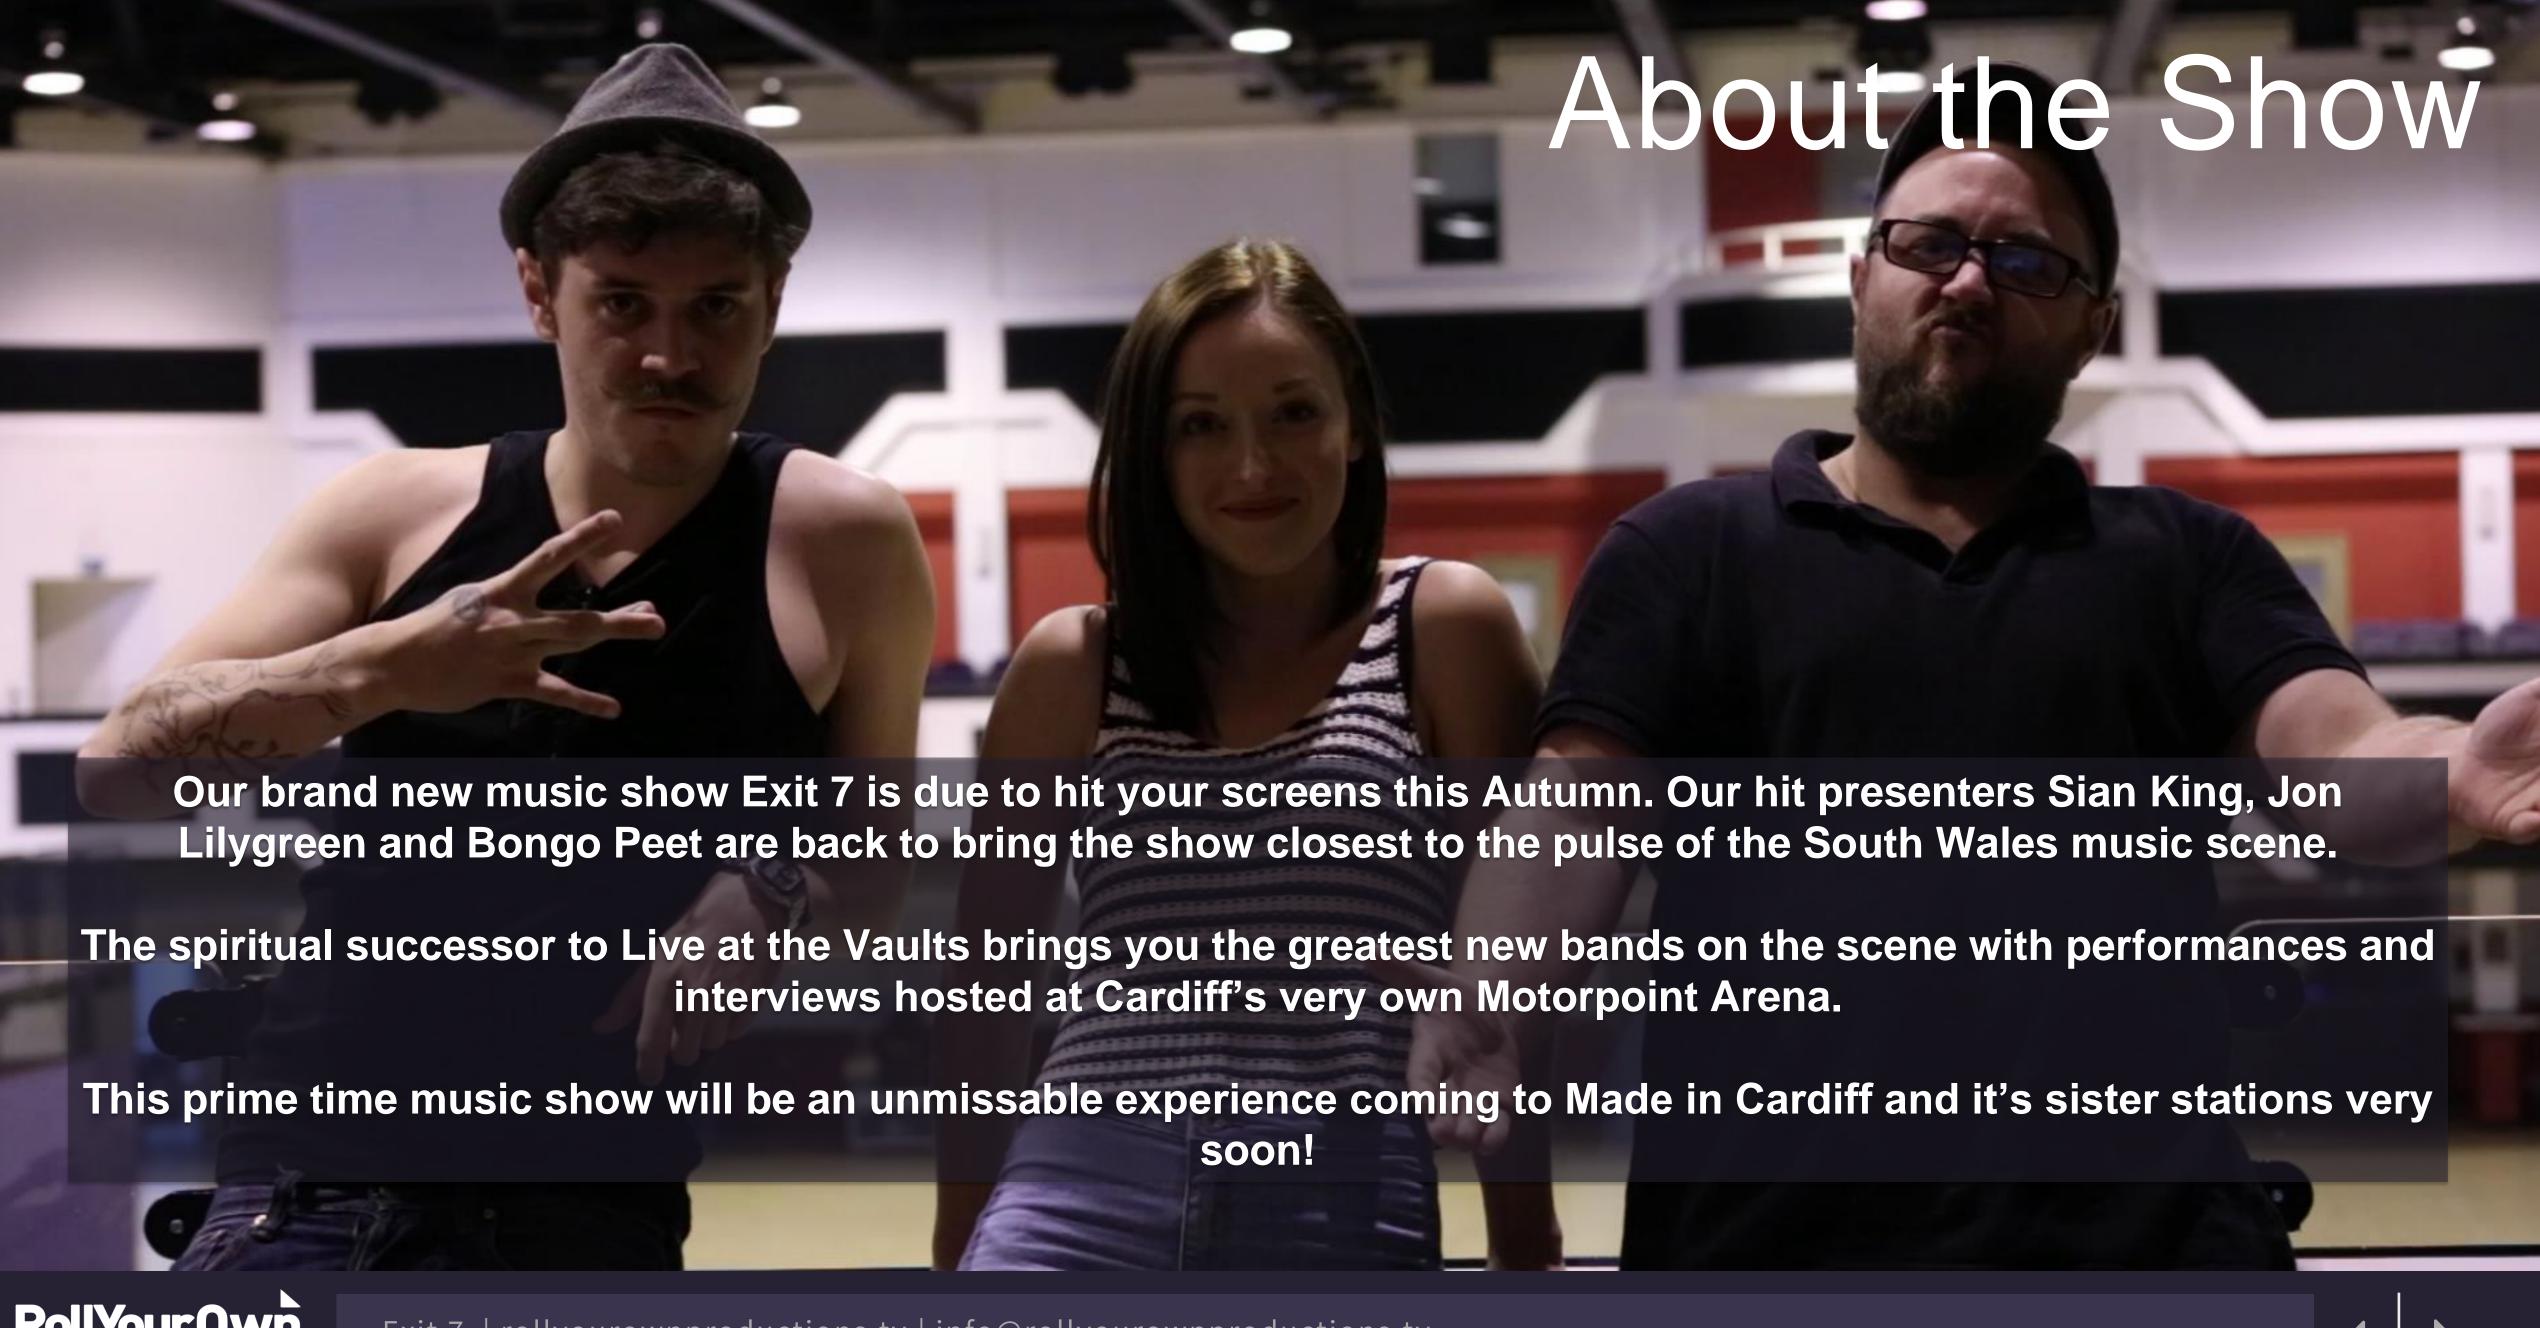

The show will air on all four Made TV stations in Cardiff, Bristol, Leeds and Tyne & Wear for 7 weeks (7 episodes). The shows will be repeated on these stations roughly 10 times in the week following including Friday's prime time 9pm slot giving added exposure.

The sponsorship would incorporate a 'mini-advertisement' before the show (10 seconds), bookending the commercial break (5 seconds each) and at the end of the show (10 seconds). This advertisement would give you 30 seconds of commercial air time for each episode.

The style would be up to you, but would have to abide by standard Ofcom rules and include a line such as 'Exit 7 is sponsored by..'.

We have included some more information over the next few pages and then some suggested pricing and contact details. If you are interested, then please get in touch. We look forward to hearing from you.
